1           than with respect to Digitek. His  
2           question was a little different so  
3           I didn't object up front. He  
4           asked you merely whether you were  
5           told at all. I'm going to  
6           instruct you not to testify and  
7           reveal the substance of the  
8           decision other than with respect  
9           to ceasing production of Digitek  
10          if you can do that. Do you  
11          understand my instruction?

12                   THE WITNESS: I understand  
13           your instruction. However, I feel  
14           that the ceasing production was a  
15           decision made in general. Of  
16           course, including the digoxin.  
17           That's what I know.

18          BY MR. THOMPSON:

19                   Q.     And why did they cease  
20          production?

21                   MR. ANDERTON: Objection. I  
22           instruct the witness not to  
23           answer.

24                   MR. THOMPSON: And you are
